"Motivate them, train them, care about them & make winners out of them... they'll treat the customer's right. And if customers are treated right, they'll come back"

By J. Marriot

GRIPe/ facilitator rating (*average **4.75 / 5**)

Jay Shankar, Head Direct & Channel Business

15+ years handling various aspects in Channel Business & conducted 30+ training's on Channel Business and Management.

Jay is the Head - Direct Sales and Channel Business. He is endowed with Business Process and strategies, business operations management and strong people management skills. He played a key role in establishing a strong distribution business. He is also focusing at setting up the retail business network in India. An alumnus of Symbiosis Institute of Foreign Trade, Pune and IIM Calcutta, Jay has had more than 11 years of experience in the automotive industry and close to 5 years in the field of Cloud Computing. Jay has conducted over 30 workshops and trainings on various aspects of Channel management and his recent love - Cloud Computing. With his passion and self motivating attitude he aims at making Novatium a success story.

Effective Channel Management Masterclass

We present real cases profiling the best practices of top performing channel organisations as well as counterpoint cases on the good, the bad and the ugly. Will empower you to manage partners and enables channel partners to effectively serve their customers, resulting in a more profitable and loyal indirect channel. **Benefits of attending**

- **Explaining** strategic issues in distribution channel selection and development
- **Helping** your channel teams to attract and retain customers
- **Setting** ground rules and disciplines for your relationships with channels
- **Increasing** sales from cross-selling based on customer information
- **overcoming** the challenges of running an effective distributor network
- **Increasing** sales and maximise opportunities through training channels
- **Increasing** successful lead generation
- **Understanding** product life cycle and the conditional use of distribution
- **Competing** for a greater share of distributor sales time
- **Avoiding** sales channel conflicts
- **Assessing** the ability of present and alternative channels
- **Identifying** the business priorities of the independent distributor

Online Pre Conference Questionnaire & Tailored Conference Sessions:

Conference sessions will be tailored by the **Pre Conference Questionnaire** which will be provided to the delegates post registrations & by receiving the inputs from delegates the same will be forwarded to speakers for customization.

"It's been an interesting learning experience with examples of practises across industry which can be applied. Getting to know good practises across industries. Reinforcement of certain Ideas in better channel. Using the forum as a sounding board for certain ideas"
