

Professionals in IT Networking Rentals

Domain Networks

We are a dynamic organization providing end-to-end solutions in IT infrastructure, computing, storage, networking, security products, asset recovery, buyback, AMC, rental, and services. We provide a *SINGLE WINDOW INTERFACE* for all IT infrastructure products and services. We are geared towards helping ISPs, Telecom players, and corporate share technology resources.

Rental Solutions

Domain Networks is specialized in providing services on renting complete Network Hardware like Routers, Switches, Firewall, AP, and IP phones. Our Cisco Rental Program is designed to be fast and flexible, accommodating various needs along with the delivery terms of 12/24Hours PAN India against the receipt of PO. Renting network Equipment is the ideal cost solution for short-term projects

Asset Recovery Solutions

Asset Recovery Program is a fast, easy way to get maximum value for your outdated or surplus technology assets. Domain Networks takes the risk and hassle out of recovering value from used routers, switches, access servers, and IP telephony products

IT Hardware Buy-Back Program

Our Buy-Back program for New, refurbished, and used total IT equipments like routers, Switches, Firewalls and Servers. When it's time to replace, upgrade, recycle, or refurbish your company IT Networks or office computers Domain Networks will manage all the logistics. Instead of throwing out and getting rid of your existing IT network hardware, make better use of its value with the Domain Networks Buy Back program.

AMCs for Hardware and Networking

We do take AMCs especially for Cisco New and EOS/EOL hardware, since we are in the Cisco rental business we do have huge inventory of Cisco Used, New and EOS / EOL products so that it will help customers to continue the old network with minimum upgrade and continue to use same setup instead of buying new hardware. DNPL provides AMC services on PAN India basis. Serving different vertical customers like various MNC's, system integrators, Government, SMB organizations, ISP's and Telecom. Players on the below terms and conditions.

1. Locking Period–12 Months. After 12 Months assets can be removed from the contract with 1 Month Notice Period.
2. SLA: 8*5*NBD and 24*7*4. (for 24*7*4 Advance Replacement at customer site)
3. Equipment should be in working condition by the time of AMC contract Sign and NO Hardware Replacement in the First 30days from the date Contract
4. Return Policy: Faulty has to be returned to us and against replacement within 5 working days
5. The Customer is responsible for any physical damages and theft at your premises during the contract period.
6. 24x7x365 Remote Operational Support and Hardware replacement will be within 12 hours for complete south India and 36/48 hours to north India from the time of report of complaint depending on the locations.
