GRIPEL

Effective Channel Management Masterclass

We present real cases profiling the best practices of top performing channel organisations as well as counterpoint cases on the good, the bad and the ugly. Will empower you to manage partners and enables channel partners to effectively serve their customers, resulting in a more profitable and loyal indirect channel. **Benefits of attending**

- **Explaining** strategic issues in distribution channel selection and development
- **Helping** your channel teams to attract and retain customers
- **Setting** ground rules and disciplines for your relationships with channels
- **Increasing** sales from cross-selling based on customer information
- **overcoming** the challenges of running an effective distributor network
- **Increasing** sales and maximise opportunities through training channels
- **Increasing** successful lead generation
- **Understanding** product life cycle and the conditional use of distribution
- **Competing** for a greater share of distributor sales time
- **Avoiding** sales channel conflicts
- **Assessing** the ability of present and alternative channels
- **Identifying** the business priorities of the independent distributor

Online Pre Conference Questionnaire & Tailored Conference Sessions:

Conference sessions will be tailored by the **Pre Conference Questionnaire** which will be provided to the delegates post registrations & by receiving the inputs from delegates the same will be forwarded to speakers for customization.
